## PERSONAL GOAL PURSUIT CAREER BREAK

Jul 2024 - Present

- After having recently graduated with a Bachelor of Arts degree in Film, TV and Digital Production from RHUL, I have taken the time to focus on family, growth and personal goal pursuits. Now, I am evermore ready to work wholeheartedly on what I have most experience in, with nothing holding me back whatsoever.

## EXPERIENCE

February 2024 - April 2024

**Assistant & Producer | in Royal Holloway University of London | London, UK**

- Produced paperwork booklet for a student short film granting a professional script, funding, schedule, locations, crew, cast, equipment, props, etc.
- Assisted in the communication between adult actors and students while effectively adopting various production roles to ensure the project's timely completion.

February 2024 - February 2024

**Assistant & Videographer | for Independent music artist's YouTube | London, UK**

- Assisted on set in coordinating crew and cast while shooting footage for an independent artist's YouTube channel music video.
- Achieved the particular demand of productively shooting all footage within a limited amount of time before a short-noticed deadline.

October 2023 - October 2023

**Videographer & Editor | for Digital Fine Art's X | Geneva , Switzerland**

- Videographer at a high-profile art gallery event for the creation of an effective promotional video for the company's X profile.
- Edited different versions considering the attention span of the target audience, in communication with the professional marketing team of DFA.
- Successfully met the expectations, resulting in the final video being pinned on their home page to this day, serving as an effective introduction to the company.

July 2022 - August 2022

**Videographer & Editor | for Independent music artists' Spotify | London, UK , Madrid, Spain**

- Worked with two independent Spotify artists for the pre-production, production, and post-production of a music video visualizer for their profile.
- Successfully met their creative visions, resulting in their most played songs on the profiles of both artists.

May 2022 - June 2022

**Producer, Director, Videographer & Editor | in Royal Holloway University of London | London , UK**

- Produced, directed, shot, and edited whilst coordinating a crew and cast exceeding 50 students for the creation of a student pilot episode series concept.
- Maintained a successful involvement in a socially demanding working atmosphere by introducing adult professionals and students from numerous backgrounds and guiding them to work together towards the same projective concept.

June 2021 - August 2021

**Assistant/Runner, Videographer & Editor | for Starlite Festival | Marbella , Spain**

- Assisted on set with the shooting and editing of interviews and backstage footage of local and worldwide internationally recognised artists for AtresPlayer TV broadcast.
- Shot and edited extra footage for promotional social media content, and behind-the-scenes team montages, during out-of-shift free time hours.
- Got immersed by living closely with adult and student members from the professional audiovisual team department of the festival to build consistency in all output.

July 2019 - July 2019

**Volunteer, Art and English Teacher | with Tumaini | Kathmandu , Nepal**

- Lived with children in a residence hosting Art workshops and English lessons.

## EDUCATION

2024

**Bachelor of Arts | Film, TV & Digital Production**  
Royal Holloway University , London

- Graduated with a degree in Film, Television, and Digital Production in the Department of Performing Digital Arts, at Royal Holloway, University of London.
- Produced a 150-plus-page paperwork booklet for a feature-length theoretical project of an existing UK television series production.
- Completed an independent Praxis project, a coursework with focused research on the influence of audiences' attention spans in audiovisual storytelling.

2019

**GCSE's & A-Levels | Media, Art & Design**  
Kings Collage School, Madrid

- Graduated with a degree in Media, and Art & Design at King's College School.
- Studied thoroughly the analysis of films, music videos and commercials to depict the meaning and intention behind them as well as their effect on targeted audiences.
